From the Secretary Des...

Dear All,

"Great dreams of dreamers are always transcended."

Dreams pass into the reality of action From the action stems the dream again and this inter dependence produses the highest form of living.

Education is a process of imparting knowledge, developing the power of reasoning. wisdom, special skills and intellectual enrichment for a mature life. Our school stands as trendsetter for knowledge enhancement programs where young leaders are offered a unique synchronization of the best in contemporary education and value based personal enrichment programs. The ingraining of our motto 'Truth, Devote, Dedicate enable the learners to live a worthy life through application of intellectual riches and ethical prowess.

Symbolising our quest

The School crest integrates a meaningful compact design with the motto "Venture, Vigour, Vantage". At the centre of the emblem is a graphics representations of an open book, laid out under a sky with full moon. The pages of the book also simulate the wings of a bird in flight. The sky is the universe, and the moon the objectives and dreams that a SHAHEED R.N.S. EDUCATION ACADEMY aspires to.

In this ascent towards the fulfilment of becoming enriched, well-rounded personality, every pupil Ventures forth into a new world of discovery and learning, with positive and complete Vigour that is engendered in him by the School and his environment, enabling him to reach the Vantage position of realising his peak potential.

Down to Earth

Inter SHAHEED R.N.S. EDUCATION ACADEMY and the first sight you behold is of manicured lawns and blooming flower beds.

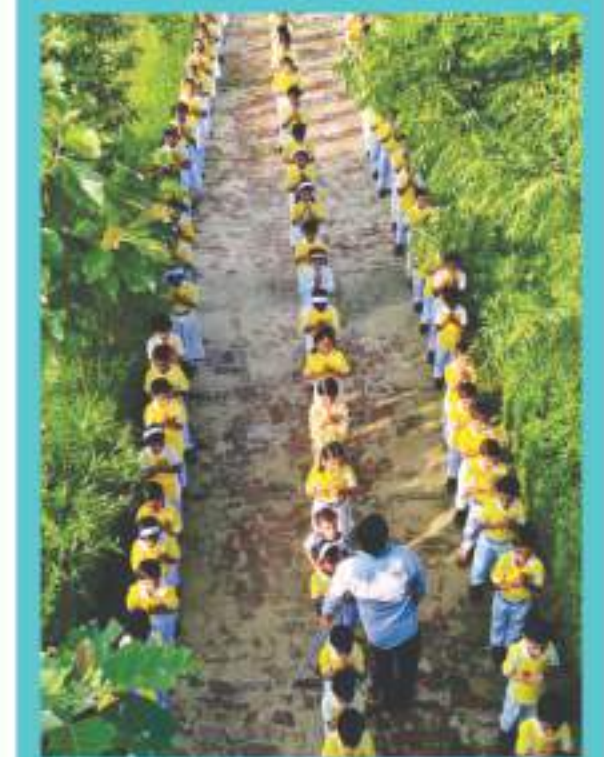

Move Forwrd, and be greeted by a quaint bird bath at the lobby door.

See little hands lovingly trending a vegetable garden.

Or shaping dreams adroitly on a potter's wheel.

At our school, you will discover an unmistakable appreciation of nature Salutations of Mother Earth that sustains of all us.

This is the spirit of our educations, Spilling beyond books and examinations.

Imparting, Knowledge Teaching leadership

Shaheed R.N.S Educational Academy Scientifically designed curriculum is further bolstered by personality enhancing learning modules.

For Example, the audio visual rooms takes learning to a whole new frontier. Here, the students themselves conduct seminars : 'teaching' a topic first, and then participating in an Open forum- a question and answer session involving the whole class. An exciting lesson in comprehension . A Step towards more concrete learning.

Such revolutionary techniques help develop traits of leadership and confidence. Development that is supported by other activities that encourage individual and social responsibility.

And the school ensures that it starts early. Even Junior students have a "Class on Duty" programme, where a section is "appointed" to conduct the assembly. Similarly, a "Group on Duty" oversees such aspects as cleanliness and order.

The Senior classes likewise practise "House on Duty" by rotation and disciplined force of the Students' Guild, led by a Hear Boy/Girl, is in place as well.

Add to it incentives that reward excellence in diverse areas. Ranging from scholarships for academic achievement to socio-emotional awards for helpfulness, punctuality, and the like
